9 DEC 01 1999 MR. LAWSON: Could you give us your name

10 again, please, so the court reporter can get it down?

11 MR. GALLEAOS: My name is Oscar Galleaos.

12 I'm from Billinghamurst.

1 13 And from what I have been told, most of the  
14 nuclear waste is back East. So I'm pretty sure that most  
15 cities that the trains are going to be going through, they  
16 don't want the nuclear waste either. If there is a crash  
17 around there, I don't think they'd like it either.

18 MR. LAWSON: Thank you.

19 MR. SKIPPER: Thank you.
